

George Utz (UK) Ltd.

Environmental Policy Statement

George Utz (UK) Limited is committed to leading the industry in minimising the impact of its activities on the environment, the key points of our strategy to achieve this are:

- Compliance with our Environmental Management System in line with ISO14001:2015.
- As a minimum, to meet all environmental legislation that relates to our Company.
- Produce and promote a material handling range of containers to minimise the environmental impact for our Industrial and Commercial Customers.
- Preferentially purchase from sustainable sources; so as to meet the needs of the present and the future.
- Actively promote recycling both internally and amongst our customers and suppliers.
- Prevent or minimise waste by evaluating operations and ensuring they are as efficient as possible.
- By a process of Environmental Impact Assessment; continually improve our effect on the environment.
- Actively strive to prevent pollution of the environment.
- Communicate the above to all employees, persons working for the Company (specifically contractors and subcontractors), our Customers and our Suppliers.
